Correction: *Designing effective graphs to get your message across*

Boers M. Designing effective graphs to get your message across. *Ann of Rheum Dis* 2018;77:833–9. doi:10.1136/annrheumdis-2018-213396

On page 835 of the article the ‘null zone’ is introduced, a way to graphically express statistical tests of differences between groups, and in Online appendix 4 a spreadsheet is offered to help calculate the necessary numbers. Unfortunately, this spreadsheet contained an error and has been replaced. Appendix 4 now contains the corrected version.
