**Incidence of CRP normalization (%)**

- **A**
  - Time (days): 0 to 28
  - Graph showing the percent of patients with CRP normalization over time for Sarilumab and Standard of care.
  - P-value < 0.0001

- **B**
  - Time (days): 0 to 15
  - Graph showing the percent of patients with fever resolution over time for Sarilumab and Standard of care.
  - P-value < 0.0001
