

MEDICAL HISTORY

1. Which RHEUMATIC DISEASE do you have and when were you diagnosed with it (year)?

Disease	Year when you were diagnosed
<input type="checkbox"/> Rheumatoid arthritis (RA)	_____
<input type="checkbox"/> Undifferentiated arthritis (UA)	_____
<input type="checkbox"/> Psoriatic arthritis (PsA)	_____
<input type="checkbox"/> Juvenile idiopathic arthritis/JIA (Childhood arthritis)	_____
<input type="checkbox"/> Spondylarthropathy/SpA (Bechterew's disease)	_____
<input type="checkbox"/> Arthritis caused by Crohn's disease or Colitis ulcerosa	_____
<input type="checkbox"/> Other, specify _____	_____
<input type="checkbox"/> Unknown	_____

2. Other diseases/comorbidities

Have you ever been diagnosed with?

Disease	Year when you were diagnosed
<input type="checkbox"/> Diabetes Mellitus	_____
<input type="checkbox"/> Crohn's disease or Colitis ulcerosa	_____
<input type="checkbox"/> Cardiovascular diseases:	
<input type="checkbox"/> High blood pressure (arterial hypertension)	_____
<input type="checkbox"/> Chest pain (angina pectoris)	_____
<input type="checkbox"/> Heart attack (myocardial infarction)	_____
<input type="checkbox"/> Heart failure (cardiac insufficiency)	_____
<input type="checkbox"/> Narrowing of the artery in the arm or leg (peripheral vascular disease)	_____
<input type="checkbox"/> Stroke/brain attack (cerebrovascular accident (CVA))	_____
<input type="checkbox"/> Transient ischemic attack (TIA)	_____
<input type="checkbox"/> High cholesterol (cholesterolemia)	_____
<input type="checkbox"/> Other cardiovascular disease, other, specify _____	_____

- Cancer, specify _____
- Disorder of the urinary tract or genital organs:
 - Infection of urinary tract or genital organs
specify, _____
 - Sexually transmitted disease (STD)
specify _____
 - Undescended testicle (cryptorchidism) _____
 - Varicose vein rupture in scrotum (varicocele) _____
 - Twisted testicle (testicular torsion) _____
 - Inflammation of the epididymis (epididymitis) _____
 - Inflammation of the prostate (prostatitis) _____
 - Inguinal hernia _____
 - Genitourinary surgery
 - Circumcision _____
 - Other _____
 - Trauma, for example damage secondary to a kick _____
 - Exposure to chemicals of radiation that can cause DNA damage _____
 - Other, specify _____
- None of the above.

3. From which health care provider did you ever receive information concerning your disease and your desire to become a father?

For example, over the effect of your disease or treatment on your fertility, capacity to take care of children, etc.

- I never received information
- Urologist
- Fertility specialist
- Rheumatologist
- (Specialized) nurse
- Family doctor/General practitioner
- Gynecologist

- Other, specify _____

FAMILY PLANNING

The following questions are about the number of children that you have and about the number of children you wanted to have (family planning).

A. Number of biological children (any child conceived with you)

1. How many biological children have you had?

2. How many biological children did you actually want to have?

3. Are you satisfied with the total number of children that you had?

Yes

No, I wanted more children.

➔ Why did you had fewer children than you actually wanted? Multiple answers are possible.

Because of my disease.

Because of my medication.

Other reason, specify: _____

No, I wanted fewer children.

➔ Why would you have liked to have fewer children?

Because of my disease.

Because of my medication.

Other reason, specify: _____

B. Statements

Several statements follow. Please indicate on a scale of 0 to 10 whether you agree with the corresponding statement: 0 means that you completely disagree with the statement and 10 means that you completely agree with the statement:

1. My disease reduced my desire to have children. _____
2. Stopping or weaning off my medication because of my desire to have children was not possible because my disease was too active. _____
3. I was concerned that my medications would harm my child _____
4. I was afraid my child would get the same disease as me _____

C. Comments / additional information

If you have any additional information or comments you would like to share (e.g., about the effect of your disease on your desire to have children or the information you received on this topic), please write them down below:

Fertility, conception and pregnancy

A. Have you ever been evaluated for fertility problems related to having a desire to have children?

- No ► Go to question B
- Unknown
- Yes:

Which fertility studies did you have done? w

- Ultrasound.
- Blood test (hormones).
- Semen analysis.
- Other, specify. _____

What was the conclusion from the evaluation?

- There were no problems identified.
- Low sperm quality.
- Anatomical abnormality.
- I was determined to be infertile secondary to an unknown cause.
- Other, nl. _____

B. With how many partners did you actively try to have children?

_____ partners

Partner 1: Initials ___

*These initials are needed because questions about your partner(s) will be asked next.
By using unique initials, you will know which partner these questions are about.*

a. Has this partner ever been evaluated for fertility problems related to having a desire to have children?

- No
- Unknown
- Yes

Which studies did your partner have done?

- Ultrasound.
- Blood test (hormones).
- Hysterosalpingography (Uterine X-Ray).
- Hysteroscopy (procedure to evaluate uterus with a camera).
- Laparoscopy (surgery).
- Other, specify. _____

What was the conclusion from the evaluation?

- There were no problems identified.
- Occluded fallopian tubes.
- Uterine abnormality.
- Early menopause.
- Endometriosis.
- Absent ovulation due to PCOS (Polycystic ovarian syndrome).
- Other, specify. _____

b. Has this partner even become pregnant by you?

That is, any positive pregnancy test (even if it did not result in a liveborn child)

- No ► Fill in the data for your next partner, if there is no other partner: end of the questionnaire.
- Yes ► Fill in the information over pregnancy outcomes for this partner in section C.

C. Course of conception and pregnancy	Pregnancy			
	1 st	2 nd	3 rd	4 th
Partner initials
In what year did the pregnancy occur?
How old was your partner at the time?yryryryr
How many months did it take for your partner to become pregnant? <i>Count from the 1st date that serious attempts were made to become pregnant (TTP)</i>monthsmonthsmonthsmonths

GENERAL INFORMATION

1. What is your date of birth?

 -

(month-year)

2. Where were you born?

- Netherlands
- Suriname
- Netherlands Antilles / Aruba
- Indonesia
- Turkey
- Morocco
- Germany
- United Kingdom (Great Britain + North Ireland)
- Belgium
- Other, specify
- No answer/unknown

3. Where was your mother born?

- Netherlands
- Suriname
- Netherlands Antilles / Aruba
- Indonesia
- Turkey
- Morocco
- Germany
- United Kingdom (Great Britain + North Ireland)
- Belgium
- Other, specify
- No answer/unknown

4. Where was your father born?

- Netherlands
- Suriname
- Netherlands Antilles / Aruba
- Indonesia
- Turkey
- Morocco
- Germany
- United Kingdom (Great Britain + North Ireland)
- Belgium
- Other, specify
- No answer/unknown

5. What is your current marital status?

- Unmarried
- Married
- Registered partnership
- Divorced after a marriage
- Divorced after registered partnership
- Widowed after a marriage
- Widowed after registered partnership

EDUCATION/WORK

What is currently the highest education you have completed? Choose one of the following answers:

- Elementary school (*basisonderwijs*)
- LBO, VSO (*LTS, LEAO, VBO, Huishoudschool, Ambachtsschool*)
- VMBO, LWOO (including theoretical learning path)
- MAVO (*ULO, MULO*)
- HAVO (*MMS*)
- VWO, gymnasium, atheneum (*HBS, Lyceum*)
- MBO (*MTS, MEAO, Middenstandsdiploma, PDB, MBA*)
- HBO (*HTS, HEAO, Kweekschool, associate degree*)
- University education, including postgraduate courses and doctoral research
- I have completed another (business) education, specify:

General information

We would like to request information about your diagnosis from your rheumatologist or urologist/fertility specialist. May we contact you about this?

- Yes
- No

End of questionnaire -> Thank you very much for your cooperation
